Dear Parents/Guardians,

Welcome to the Religious Education Program for the 2022-23 year. It is a privilege to teach and care for your children as they receive their Sacraments and become closer to our Lord and His Church. Giving the Sacramental gifts of Reconciliation, 1st Communion and Confirmation are the greatest gifts you will ever give to your children. Through your example they will continue to lead lives of faith. This is why it is so important that you indeed live your lives to honor God. It is the example that you provide that will form your children and help them become the adults you and God want them to be. Attending Sunday Mass with your child(ren) is a great example of the trust and love you have for our Lord.

Our dedicated and faith filled Religious Education catechists will do their best to teach the Faith to your children in the short hour they have them each week. They still need your help in making sure your children know their prayers and teachings of the Catholic faith.

Please make sure you visit our website for the schedule and fill the dates in on your family calendar. There is important information for 1st Communion and Confirmation. Make sure you fill in your email address on the enrollment form. We will send you regular emails to keep you informed of the events for RE and of any emergency school closings.

Visit our website at www.holy-angels.org link to Religious Ed. We have posted all the prayers your children will need to know for the year and additional information regarding the sacraments and all meeting information and forms that you will need to turn in .

We look forward to seeing you in September.

God Bless,

Rose Gatz & Mimi Steinwart
Religious Education Coordinators

What a blessing to bring God's children to know his love!

Consider becoming a catechist and watch the students in your class grow spiritually. Teaching a child to know God's love for them is such a blessed and important responsibility. Our Lord will always return the blessing. They are the future of our Catholic Church.

Curriculum

KINDERGARTEN.

The focus of the kindergarten program is to teach the children about God's love for them. They will be introduced to the Our Father, Hail Mary and Glory Be.

1st and 2nd grade are mandatory to make First Communion at Holy Angels in 2nd Grade.

FIRST GRADE. This year your first grader will be introduced to Bible stories.

FIRST & SECOND GRADE. To prepare the student for the first reception of Reconciliation and the Holy Eucharist. Your child will learn about God's love and the graces that are received in these sacraments.

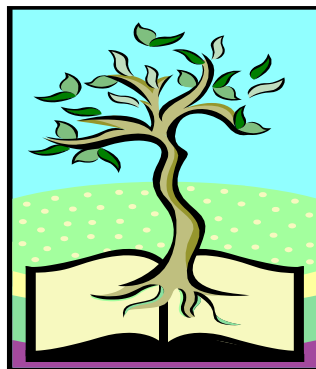

THIRD GRADE.

Continue to strengthen the child's understanding, love, and appreciation for the Eucharist and Reconciliation. Learn the prayers of St. Michael and the Rosary.

FOURTH GRADE. In preparation for 5th Grade, the children will need to recite the Apostles Creed and know the

Ten Commandments. They will start to learn about the basic truths of the Catholic Faith.

And these words which I command you this day shall be upon your heart; and you shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise

—Deuteronomy 6:6

FIFTH GRADE. Students will study the Creed, which summarizes the basic truths of the faith. What better time than the present to help these students to delve more deeply into their faith and to apply it more completely in their lives.

6th, 7th, and 8th grade are mandatory grades to make your Confirmation at Holy Angels.

SIXTH GRADE. Sixth grade is devoted to the Ten Commandments and the Mass. At this turning point in their lives, the students need to be guided to follow Christ with their whole mind and will.

SIXTH, SEVENTH & EIGHTH GRADES.

To prepare the student for the Sacrament of Confirmation, this three year program will strengthen the student's knowledge of the Catholic Church and will nurture them in the Sacraments on which all Catholic life is centered.
